

# LOWOOD STATE HIGH SCHOOL

## YEARS 7-9

### STUDENT RESOURCE SCHEME FEES AND SUBJECT LEVY INVOICING AND BENEFIT INFORMATION 2026

Lowood State High School operates a **Student Resource Scheme**.

This letter includes important information about the fees and inclusions for the SRS. If you have previously opted in to the SRS, your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school, this information will assist you in making a decision as to whether you wish to participate in the SRS.

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The SRS helps parents to source these resources. The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

#### **The fee inclusions outlined on the following pages are for each student in years 7-9**

If you are not satisfied that the SRS fee represents good value for money based on the inclusions (over the page), you may choose not to participate in the SRS. If that is the case, please complete a new Participation Agreement Form, indicating that you no longer wish to participate. If you choose not to participate, you will be provided with a detailed list of resources that you will need to provide for the student.

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. Yr 7-10 \$164, Yr 11-12 \$357.

For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation. Thus, the SRS invoice you receive will be the full cost of participation in the SRS minus the TRA already held at the school.

#### **Your 2026 student resource scheme invoice will be \$200 per student**

If you would like to participate, but are experiencing financial difficulties, please contact the school to arrange an appointment to discuss options. Any information that you provide will be confidential.

Resources may not be distributed until the full or first payment has been paid to the school. Any unpaid invoices will be managed according to the Department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in extracurricular activities until payments are made.

A repair or replacement cost will be charged to the parent for any items that are damaged or not returned.

If you have any queries regarding the SRS and its inclusions, please contact and arrange an appointment with Susan Dinning, Business Manager 07 5427 8333.
