## OVERVIEW

The Strategix Certificate III in Community Services is an informative and practical course with topics relevant to the current Community Sector. This is a broad qualification that will prepare you to work in a range of community services roles including Aged Care, Disability, Youth Work and others. It prepares you for case management, individual needs planning, health and well-being strategies, working with disabilities, cultural diversity, and at risk individuals.

Our trainers are industry professionals and will help you learn the skills and gain knowledge that will prepare you for a job in the community sector.

Through the Strategix Certificate III in Community Services you will be better equipped for working as a personal carer, aged care worker, case manager, youth worker and a range of other jobs. With the qualifications you gain through Strategix, you will have the edge to get the job you want. The Certificate III in Community Services also incorporates a work experience element.

\* Students must complete Strategix Certificate II in Health Support Services to gain full credits
